These are not set in stone, they are just district codes and abbreviations that help me sort the data base. As we need them, I will add more codes. This also helps the chapter members to read and fill out the worksheets.

If you have questions please call PCC, BCHW Volunteer Hours Coordinators:

We are new at this job so please be patient with us. If we cannot answer your questions, we will get the answer from Janet Azevedo, who is our chapter's regional representative.

*We want to take this opportunity to say **THANK YOU** in advance for all the time you will take to fill out these volunteer hours sheets. You are all super and this chapter is responsible for tremendous amounts of volunteer time so lets keep up the good work.*
